Make preparations now, tornado season coming

By Valerie Evenden
Staff writer

"Advance planning is the key to saving lives in a tornado," Coordinator Bill Harris of the Granite City Emergency Services and Disaster Agency said this week.

Harris was discussing "Tornado Preparedness Week," which has been proclaimed by Gov. James R. Thompson through March 7 in Illinois.

A MONTHLY TEST of the community's network of warning sirens was conducted in Granite City at 10 a.m. Tuesday.

Annual tornado drills also were held Tuesday throughout the state.

The drills were conducted at schools, hospitals and some public buildings to test tornado response plans.

"TORNADOES can kill, but we can protect ourselves," Harris said. "If you are in your home when a tornado warning is issued, immediately go to your basement."

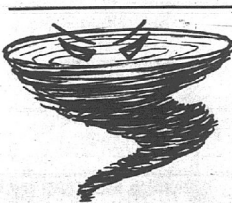

"If your residence is without a basement, go to an interior room on the lowest level, such as a closet or bathroom."

"If the room has windows, turn your back to them to protect yourself from flying glass," the ESDA coordinator advised.

A TORNADO WARNING means that an actual funnel cloud has been sighted in the vicinity or one is moving on a track toward the community.

In Granite City, the warning sirens are sounded.

When these are heard, resi-

dents should move quickly to a place of safety, authorities say. A TORNADO WATCH means that weather conditions are ideal for a tornado to form.

When a WATCH is issued, area residents should listen to weather advisories broadcast over radio and television and be ready to take cover.

Under WATCH conditions, it is also wise to collect a battery-powered light and radio and have family members stay within earshot.

HARRIS SAID many needless deaths and injuries are caused by people remaining inside mobile homes or getting into a vehicle and trying to outrun a tornado.

"If you are in a mobile home or in a car, leave it and try to find shelter in a nearby permanent structure, or lie face down on the ground in a depression, with your hands covering your head," he said.

Illinois is geographically located at the northeast edge of the most tornado-prone region of the world.

SINCE 1950, an average of 25 tornadoes have touched down across the state annually, although there were as few as four in 1952 and as many as 107 in 1974.

Twenty-one tornadoes hit Illinois in 1986.

The Granite City area has experienced two destructive tornadoes in recent years.

MILLIONS OF DOLLARS of damage resulted at area businesses and homes from a tornado that struck the Crossroads Plaza Shopping Center area and skipped its way northeast along Pontoon Road on May 1, 1983.

Thirteen Granite City homes were destroyed on April 3, 1981, by a tornado that also damaged more than 102 other residences, a church and local school buildings.

The latter storm left 21 persons injured and in excess of \$1.5 million damage in its wake.

DESPITE WIDESPREAD destruction caused by both tornadoes, the Quad City Area has been lucky, officials said. There was no loss of life in either disaster and those injured were not seriously impaired.

While 10 Illinois counties have recorded more than 20 tornadoes since 1950, Madison County has experienced 26 twisters in the same period of time.

The months of April, May and June account for more than half of all tornadoes in Illinois, Harris said.

\$4.3 million lotto win for Granite Citian

GRANITE CITY — A Granite City man will share a \$13 million jackpot from Saturday's Illinois State Lottery Lotto game.

He and two other people will receive \$4.3 million. None had claimed the money as of Monday, an Illinois State Lottery spokesman said. The other winners were from Des Plaines and Urbana.

The local winning ticket was sold last week at Sullie's Package Liquor, 2260 Washington Ave., owner Rick Lesko said. Lesko declined to identify the winner.

Lesko said the man, a regular customer, usually purchases tickets for the Wednesday and Saturday Lotto drawing each week on Tuesday or Wednesday.

The winning numbers were 1-5-14-29-30-36. Lesko said. This isn't the first time a winning Lotto ticket was purchased at Sullie's, he said. Two men split \$3.8 million in June 1984 after purchasing a ticket there, Lesko said.

King Bridge buy delayed by Bi-State

Action by the Bi-State Development Agency to help buy the Martin Luther King Bridge from bondholders has been put on hold at least until next month.

The agency's board of commissioners decided at its monthly meeting last Friday it would not take any action to approve \$2 million for the buyout.

Under plans to purchase the bridge, which now is owned by East St. Louis, Bi-State, St. Louis, and St. Clair and Madison counties in Illinois each would provide funds to total \$4 million to buy back bonds used to finance the bridge. Bi-State's share would be \$2 million.

Missouri and Illinois would own and operate the bridge, which must be repaired before it can be opened.

Executive Director Raleigh D'Adamo and Board Chairman C. Wayne Spann said the board wants to be certain the agency has the necessary funds in a capital account before committing the money.

Spann said action to approve the funding could be taken next month.

Reviews and previews

Truck stop water line progresses

Madison Mayor John Bellecoff met with representatives of Illinois American Water Company last week to work out bidding procedures for a new water line to the Gateway Truck Plaza area on Illinois 203. Construction will begin the last week of April or first week of May. The line is expected to allow new development. An expansion of a restaurant and the construction of a motel are being considered after the water line is finished.

Hauler denied exemption

Granite City's sludge and trash hauler, Laidlaw Waste Systems, has been denied its request to be exempted from a new 45-cent per cubic yard charge on waste haulers by the state and a 22½-cent charge by the county. The Illinois Environmental Protection Agency denied Laidlaw's request last week. The charges will enable Madison County to take responsibility for inspecting dump sites.

Smoking ban passes council

The Granite City Council has banned smoking at council meetings. The ordinance calls for a \$50 fine for holding a lighted cigar, pipe or cigarette between 6 p.m. and until the council meetings are adjourned. The ban includes smoking in executive sessions.

50 years ago

Thursday, March 4, 1937

About 70 percent of Granite City's outstanding special improvement bonds are in default. The Granite City Council postponed for further study a plan to refinance all the bonds. Of the \$465,536 debt, \$373,615 is in default.

Tell it like it is

Q: Should Granite City's waste hauler, Laidlaw Waste Systems, be exempted from Madison County's new waste-dumping charges for waste haulers, as has been requested?

Ray Tadlock

"The charges to Laidlaw are ... to maintain the dump sites. Laidlaw is in business to make a profit. The way I see it, if Laidlaw gets an exemption, it will be up to the taxpayers to maintain dump sites. Just so (Laidlaw) can make a profit, so I don't think Laidlaw should be exempt from it." —Granite City

Marilyn Ronney

"No. This land ... is the original bottom of the Mississippi River. In no way can we stop seepage and dangerous chemical combinations. Other communities stop pollution of their environment. Where is our backbone to protect the future generations?" —Granite City

NEXT WEEK: Should Granite Citizens remember the Granite City Council's telephone tax vote in the upcoming aldermanic elections?

To record your answer, phone 452-0222 between 5:30 p.m. and 8 a.m. daily. Leave your name, hometown and phone number for verification.

Quote of the week

"I've been threatened that if I put this on final passage I'll get shot," said Granite City 2nd Ward Alderman Sam Whitmer about the Granite City Council's smoking ban.

Tip of the hat

For opera

Former Granite City resident Erie Mills is recognized this week for her well-deserved success as a soprano opera singer. Mills' reputation as one of the nation's best opera singers was heightened not long ago by being selected for a shared Grammy Award. Mills will return to the area for a performance at Belleville's St. Peter's Cathedral on March 22.

Bi-State, union continue talks

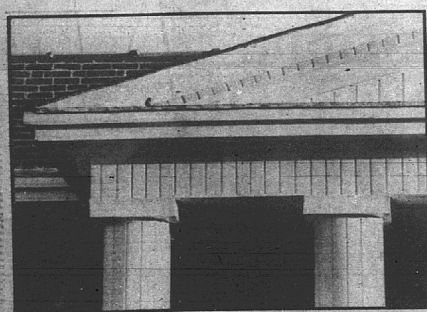

The Bi-State Development Agency and Amalgamated Transit Union Local 788 have agreed to extend the union's contract through March 21 while negotiations continue.

The two-year contract expired Feb. 28.

Local 788 represents more than 1,500 Bi-State bus operators and maintenance and servicing personnel.

Negotiations have proceeded smoothly, officials said.

Political profiles run on Thursday

GRANITE CITY — The Press-Record will publish election profiles on Thursday, March 5 for candidates in each area race.

Races to be determined in Tuesday, April 7 election are the seven aldermanic positions in Granite City, four aldermanic seats in Madison, four city council seats in Venice, two village trustee posts in Pontoon Beach.

Bernaix withdraws from race

By Bill Bagby
Staff writer

GRANITE CITY — Legal questions involving a city employee's ability to serve on the City Council caused him to withdraw from the 7th Ward aldermanic race.

"I based my candidacy on a legal opinion that the new state law would permit me to run. However, a further legal opinion causes me to believe that the issue is still clouded and could affect my ability to serve if elected," said Charles Bernaix Jr., a captain with the city's Fire Department.

Bernaix said he feels like a "second-class citizen" because he can't serve as alderman. He can be elected to the park or school boards and remain a fireman, he said.

"I'm really upset about it," he said. "I believe that my energy and commitment to this community would have been best utilized as a member of the City Council."

Two Granite City Park Board commissioners said the issue involved Venice Park Board commissioners seats, and the uncontested job of Granite City street superintendent held by Mac Warfield.

The Press-Record will publish candidate profiles only for those candidates who returned questionnaires sent by the newspaper.

Bernaix said. "Sadly, I must refrain from seeking this office until such time as the issue is resolved in a court of law."

Madison County Clerk Evelyn Bowles told Bernaix prior to his filing that there could be a conflict with him working for the city and serving on the council, she said.

Bowles said it wouldn't be a problem for Bernaix to run for alderman. The problem, she said, would come if Bernaix was elected.

A fireman for 15 years, Bernaix said he couldn't retire if he was elected because he doesn't have the required 20 years seniority.

Dusan Gagich, a city policeman and a candidate for 6th Ward alderman, will retire from the department if elected, he said. Gagich is a 31-year veteran of the force.

Bernaix's withdrawal leaves two candidates, Emerald Dawes and John Krekovich, running for 6th Ward alderman.

Socialism fails Castro's Cuba, but American workers do OK

Socialism is not the answer. Cuba's Fidel Castro, addressing his nation's Communist Party Congress, says there are "chaos and anarchy" in the Cuban workplace.

He says too many people are being hired to do too little work. Castro says any time he drops in on a factory — unannounced — he finds workers "on a coffee break."

He says loafers are teaching workers how not to work, implying that Cuba is becoming a country of "bums."

He says without worker discipline there is no way for socialism to accomplish its goals. He says there will be "no new businesses until this problem is solved."

The impact of Castro's indictment was amplified because that same day in the United States a Media-General survey revealed that "most Americans are happy in their jobs. A whopping 91 percent of Americans like their jobs, like the work itself and the people with whom they work."

The survey did not differentiate between men and women

Paul Harvey News

By Paul Harvey
L.A. Times Syndicate

workers; it should have.

The law says women should receive equal pay for equal work but they don't.

Women in the workplace do not yet get a fair shake but they are doing better.

One-fourth of United States businesses are owned by women. Starting in 1983, nearly five million working wives surpassed their husbands in salary.

One in five working wives earns more than her husband. Women executives have made significant salary and career gains. Among Fortune 1,000 companies four out of five women executives have reached the level of vice president. Six years ago only one in three had.

And women executives appear

to enjoy their work so much that most said they would not stay home even if paid full salary to do so.

However — these exceptional situations aside — the average working husband still makes more than twice as much as the average working wife.

The last year for which the Census Bureau has numbers is 1983. Then the average working woman earned \$10,160. The average working man earned \$22,960.

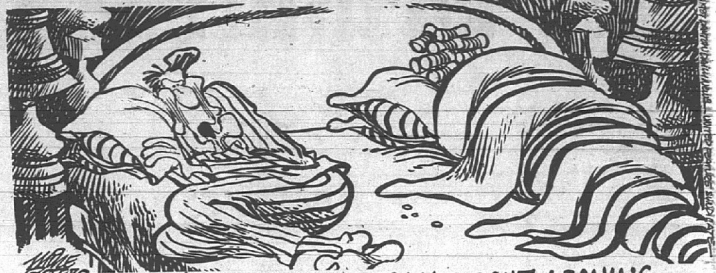

How can this be?

The Hoover Institution at Stanford studied the discrepancy and decided that wage rates are still determined by supply and demand.

Further, the "average pay" for women is less because there are many women in the labor pool who are competent only to fill low-skill, low-pay jobs.

Women are becoming better educated, more skilled — so that by the year 2000 (barely 13 years away) the woman worker will average at least 75 percent of what men make.

Evolution at its most accelerated pace is agonizingly gradual.

OK, OK... I'll talk with REGAN about LEAVING...

Joblessness and tensions are linked

To the editor:

On a call-in radio program the other day an unemployed woman said to me, "The reason I'm out of work and so many others are out of work is that the blacks are getting all the jobs."

She illustrated one of the reasons this nation should not tolerate the high level of unemployment that we have rather comfortably accepted.

With high unemployment comes a series of plagues: More crime, more health problems, more alcoholism, more teenage pregnancies and a depressed spirit for the unemployed that cannot be measured, but is deep.

And with high unemployment there also is more of an "us" versus "them" feeling. Hatred grows between whites and blacks, between Anglos and Hispanics, between young and old.

"The Poles get all the jobs around here," a young Hispanic told me on Chicago's Milwaukee Avenue one day.

If there were employment available for everyone, it is likely he would be saying that.

We have seen a rising tide of incidents reflecting the tensions that are out there. It has happened in Howard Beach in New York City, in Jefferson Parish in Louisiana and in a county near Atlanta.

We can fool ourselves and say these are simply local incidents, reflecting nothing more than local feelings. We will then treat the symptom rather than the cause. But we will be fooling ourselves.

That lady who called me on the radio program and that young man I talked with in Chicago are not expressing themselves in violent ways, but the message is the same as that coming from the places of violence.

The number one cause of all of this is unemployment.

Editorials are written applauding the fact that "only" 7 percent of Americans were out of work in 1986. If you add to that the people who have given up looking for a job, and those working only a little, you end up with 10 million Americans out of work. If, for example, you work one hour a week you are not counted as unemployed.

Japan, Switzerland, Austria,

Sweden and Italy all have significantly lower unemployment rates than the United States does for one reason only: They have made a priority of putting people to work.

You will hear me talking and writing about this again and again, and again, until we turn things around.

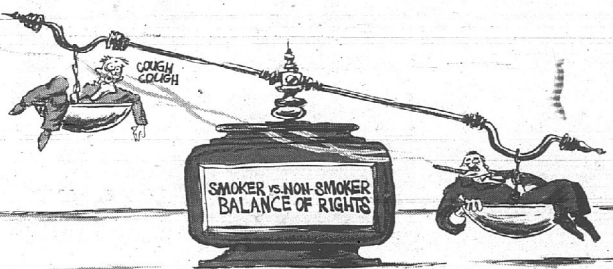

Too many Americans are non-productive. That's bad for them, bad for our country.

I soon will be introducing legislation to address this problem fairly and dramatically. We tolerate this high unemployment because we have accepted the myth that there is nothing we can do about it.

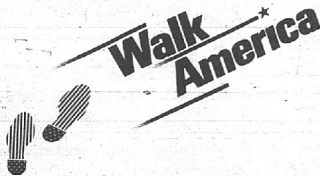

We can do something about it, if we have the will to do it, if we recognize the great harm we are doing to this great country by our present tolerance of high rates of unemployment.

We should march on the problem of unemployment and all the anguish and bitterness that go with it, instead of giving ourselves excuses for retreating in its presence.

Present, former Girl Scouts plan a giant Promise Circle

The River Bluffs Girl Scout Council will take part in a national kickoff celebrating 75 years of service on Thursday, March 12.

The nationwide kickoff will originate in Washington, D.C., with Girl Scout National President Betty F. Pilsbury reciting the Girl Scout Promise. At 4 p.m., current and former Girl Scout members and friends are to repeat the Girl Scout Promise aloud. With participation by U.S.A. Girl Scouts Overseas, the Promise Circle will span the globe, symbolizing the unity of Girl Scouting everywhere.

All current and former Girl Scout members are invited to

participate in a councilwide Promise Circle hosted by River Bluffs at Scott Air Force Base from 3:30 to 6 p.m. March 12.

In addition to reciting the Promise, guests will be entertained by the Big Red Line and Edwardsville Senior Citizens Kitchen Band. A portrayal of Juliette Low, the founder of the Girl Scout organization, will be enacted and cake and refreshments will be served.

Girl Scout alumni who participate in the councilwide Promise Circle will receive a yard card saying "I was, I am, I will be a Girl Scout" to display during Girl Scout Week.

For an invitation to the Promise Circle or additional information, River Bluffs can be called at 692-0692, 632-6404, 254-5883, 452-0692 or 345-1606.

Kenneth Willtrout

Willtrout promoted

Illinois State Police Superintendent Lamutis A. Nargolenas has announced the promotion of Sgt. Kenneth D. Willtrout to the rank of master sergeant at ceremonies held in Springfield. Willtrout will assume the duties of a shift commander.

He was appointed to the State Police in September 1968, and after graduation from the Department of Law Enforcement Academy in Springfield was assigned to District 15 at Oakbrook.

In September 1975 he transferred to District 11, then at Maryville and now at Collinsville. He was promoted to sergeant in May 1984.

Before joining the State Police, Willtrout served two years in the U.S. Army as a paratrooper with the 101st Airborne Division. He is a graduate of Granite City High School and also attended Belleville Area College in Belleville and Sauk Valley College in Dixon, Ill.

Willtrout is a member of the Illinois State Police Command Officers' Association. He resides in Collinsville with his wife, Jeanette, and their two daughters, Julie and Amy.

Wolf named to racing panel

State Rep. Sam Wolf, D-Granite City, was named by House Speaker Michael J. Madison to the Select Committee on Horse Racing.

"Major reforms in the horse racing industry were enacted last year," Wolf said. "These changes were made to ensure ethical responsibility and encourage further development on the part of this industry. As a member of the committee, I intend to continue working toward these goals."

Wolf said one major duty of the committee will be to make technical changes to clarify and correct confusing language in last year's law.

"In addition to clean-up work," said Wolf, "this committee will likely take a close look at local government's role in selecting sites for off-track betting and Breeders Award legislation."

"The horse racing industry has always been important to the Metro East area's economy, as well as that of the state as a whole. I look forward to working with my fellow committee members to guarantee this vital industry will remain healthy and prosperous."

Spelling bee held at Parkview

Spelling bees were conducted last week at Parkview Elementary School. Each classroom conducted several bees to determine winners and runners-up.

Class representatives, winners and runners-up were: Shawn Noonan (winner) and Greg Troits (runner-up) representing Mrs. Sipe's class; Barbie Schanot and Bryan Allen-up representing Mrs. Maier's class; Jeffrey Froman and Jennifer Robinson representing Mrs. McDonnell's class; Ginger Gerstner and Larry Tooley representing Mrs. Wyatt's class; and Denise McMillan and Kyle Loran representing Mrs. Orris' class.

Denise McMillan was the overall winner from the second and third grade division and will compete in the district spelling bee. Second was Bryan Allen.

In the fourth and fifth grade competition, winners and

John Cemetery, 2901 Nameoki Road, Edwardsville, are suggested for the American Heart Association.

Rogers

Charles R. Rogers Sr., 69, of Houston, Texas, formerly of Granite City, died at a Houston hospital Monday, March 2, 1987.

He was born in Kendallville, Ind., and while living here he worked at Granite City Steel for 30 years. Mr. Rogers served with the U.S. Army during World War II. Survivors include his wife, Ellene Rogers; three daughters, Sandra Jean Pleasant, Joyce Bledsoe and Mary Robar; four sons, Charles Rogers Jr., Ernest Rogers, Darrell Rogers and Thomas Rogers; two stepsons, Ralph Bradford and Algin Bradford; 31 grandchildren, numerous great-grandchildren and several great-great-grandchildren.

He was preceded in death by a sister, Aldora Wilhelmy, and a son, James Rogers Olsen.

The Rev. David E. Miller will officiate at 11 a.m. services Wednesday at the Houston National Cemetery Chapel to be followed by graveside services and military honors under the direction of VFW Post 3543, Earthman Funeral Home, 500 N. Freeway, Houston, Texas, was in charge of arrangements.

Zerlan

Paul Zerlan Sr., 96, of Granite City, died at 2:23 a.m. Sunday, March 1, 1987, at the Madison County Nursing Home, Edwardsville, where he resided for nine years.

Born in Rumania, he lived in this area most of his life. He was self-employed as a carpenter contractor and retired in 1959. Mr. Zerlan was a member of Teamsters Local 525 of Alton.

His wife, Mary Zerlan, died in 1956.

Survivors include one son, Paul Zerlan Jr., Granite City, four grandchildren and five great-grandchildren.

The Rev. Bill Fisherkeller officiated at private services Tuesday at 9:30 a.m. at Davis Funeral Home, 21st Street and Cleveland Boulevard. Burial was in Calvary Cemetery, Edwardsville. Memorials are suggested for Masses or the American Heart Association.

Board votes Tuesday on tentative contract

By Dave Gosnell
Staff writer

GRANITE CITY — The School Board was expected to vote Tuesday on a tentative agreement reached by negotiators for the board and district secretaries.

The agreement was ratified by the secretaries Friday, the fifth day of a five-day strike notice given to the board by the Secretarial Council Local 743-American Federation of Teachers.

The agreement includes a compromise on the issue of seniority preference for secretaries who want to bid on district job openings. The union wanted the seniority preference to remain as it has been in previous contracts. Board negotiators sought to eliminate preferences.

The compromise will keep

seniority preference, but the preference would not be considered until secretaries now working with the district have been in their position for two years and new hires have been there three years, said Council President Lee Guenther.

Other contract provisions include an increase in vacation time and a 5 1/2-percent annual pay increase.

The board is likely to pass the tentative agreement, said Terry Salem, personnel director.

"The board's team will ask for ratification," Salem said.

The team included Board President Kelly Hogan and board member Alan Crider.

Passage of the agreement will avert a potential strike by the secretaries, which would have been supported by at least some of the district's teachers.

Record-breaking year forecast for cruising

The cruise industry forecasts predict 1987 will be a record-breaking year.

A study by Cruise Lines International Association (CLIA) shows more than 28 million Americans would seek the sea for a sabbatical.

And while Americans make a break for the berth, cruise lines are clamoring for bigger, faster, sleeker ships and exotic itineraries. The result is more variety for consumers as cruise lines entice passengers to come aboard.

James Godsmann, president of the CLIA, said the bigger ships can offer a passenger a wide selection of onboard amenities, including sports facilities, elegant dining rooms and lively night clubs.

However, cruise lines that offer smaller, more intimate ships—like Exploration, American, Windstar and the Cunard, with the Sea Goddess I and II—are doing well.

"These ships are all drawing because there's a distinct group of people that want something smaller," Godsmann said. "That's the beauty of the industry because the diversity of the spectrum that exists. It makes it very appealing from a consumer's standpoint. Whatever you're looking for you're going to find."

Royal Caribbean Cruise Lines will introduce the world's largest cruise ship, Sovereign of the Seas, next Christmas Eve and will begin its seven-day eastern Caribbean itinerary Jan. 16. The 74,000-ton vessel features a five-story central lobby connecting many public rooms.

Passengers—the ship can accommodate 2,600—can enjoy four lounges, a champagne bar, twin restaurants and an indoor/outdoor cafe, two cinemas that will show current movies, a fitness center with weights, sauna, massage facilities and jacuzzi, and a youth center. There are fountains, plants, a sweeping

staircase and two glass-enclosed elevators. Sovereign of the Seas will call at Labadee, San Juan and St. Thomas.

Carnival Cruise Line's newest ship, Celebration, will make its inaugural cruise from Miami March 14. It sails from Miami to San Juan, St. Thomas and St. Maarten. The 48,000-ton ship can accommodate 1,486 passengers on eight decks.

Windstar Sail Cruises' Wind Spirit will be delivered in 1988 and is scheduled to sail the waters of French Polynesia. The cruise line has an option for a fourth ship, the Wind Saga, scheduled for delivery in 1989.

Royal Cruise Line will receive a 990-passenger ship, the Crown Odyssey, in May 1988. The Crown Odyssey is under construction in West Germany. Royal Viking Line will launch a new ship in December 1988.

Two new Holland America vessels, both accommodating

1,600 passengers, will be delivered in 1989 and 1990. And Norwegian Caribbean Lines' new ship will be delivered in May 1988.

Other lines spend millions improving older ships. There are 120 cruise ships in North America. Of that group, 74 have been refurbished or rebuilt from 1981 to 1986. During that time, 29 ships were constructed.

One of the grand dames of the sea, Cunard's flagship the Queen Elizabeth 2, will be back in service in April following a six-month, \$130-million refurbishment program. The project included installation of nine new diesel engines and generators. There will be an international

food bazaar and shopping promenade. QE2 will make trans-Atlantic, Caribbean and Bermuda sailings this year.

Will cruise lines ask for higher fares for improved products? Godsmann doesn't think so. He said estimates from 1986 indicated overall cruise capacity for CLIA member lines increased about 14 percent. The number of passengers increased slightly more, which Godsmann said indicates a growing capacity for cruise passengers is in line with the number of people buying cruise vacations.

"Frankly, the benefactor has been the consumer in terms of lower rates," Godsmann said. But onboard activities and

comforts are only one dimension to a cruise experience. Godsmann said passengers still are interested in exciting ports of call.

The Caribbean continues to grow at a rapid rate, particularly in the Bahamas, because people are testing the waters with three- and four-day cruises. Cruises to Alaska, the Pacific and Far East also are strong, Godsmann said.

Escorted tours highlight Canada

Tours of Canada ranging from the Canadian Rockies to the Gaspé Peninsula are available through Maupintour.

Three tours feature the majestic Canadian Rockies. They are: a 15-day tour that departs from Seattle and travels through Montana's Glacier National Park and into the Canadian provinces of Alberta and British Columbia; an 11-day tour beginning in Seattle that includes ferry rides to Victoria and Vancouver and motorcoach tours in the heart of the Canadian Rockies.

A 12-day tour that begins in Calgary and features the scenic glaciers of Jasper and Banff national parks and the Pacific Northwest cities of Vancouver, Victoria and Seattle.

Highlights of the tours are stays at the beautiful Cliff Springs Hotel, Chateau Lake

Louise and Jasper Park Lodge, the most popular resorts in the Canadian Rockies.

Another scenic adventure featuring Canada's Pacific Northwest is the eight-day tour of Seattle, Victoria and Vancouver, which combines seaport cities with visits to Olympic National Forest, Olympic National Park and Butchart Gardens.

Beautiful scenery in the peaceful resorts of the Laurentian Mountains is featured on two Maupintours. The 15-day New England/Gaspé/Laurentians tour highlights New England and the culturally rich cities of Montreal and Quebec. Guests enjoy an afternoon cruise around Percé Rock and Bonaventure Island for magnificent views. The eight-day Laurentian Canada combines Quebec City, Montreal and Ottawa with the Laurentians.

The eight-day Montreal to Toronto tour features the best of two provinces, Quebec and Ontario. Highlights include Upper Canada Village, Old Fort Henry, Thousand Islands cruise and Niagara Falls cruise. Another eight-day tour offers four days on the Gaspé Peninsula, including a cruise around Percé Rock and Bonaventure Island, and a two-night stay at Chateau Frontenac in Quebec City.

Guests can combine these two itineraries for the 15-day Grand Eastern Canada.

"Atlantic Canada's three provinces—Nova Scotia, Prince Edward Island and New Brunswick—are featured on the 15-day Maritime Canada. Guests cruise the Bay of Fundy and Halifax harbor plus have a full day's drive on the famed Cabot Trail.

Seniors Save To Hawaii

Adults 60-and-older can save up to \$150 per couple on a Hawaiian vacation.

Reservations are being accepted for holidays departures which begins April 20 and continue through June 8 and begin again Sept. 1 continuing through Dec. 18.

The length of a stay varies, from four days/three nights to 16 days/15 nights. There are eight categories of hotel accommodations on Oahu, Maui, Kauai, Kona or Molokai.

Hawaii is ideal for senior citizens because it is a beautiful, healthy and secure paradise where medical standards are high and the weather is tropical and warm. Travel to Hawaii requires passports, shots or duty import fees.

Mound Builder awards planned

Five individuals and the Collinsville Chamber of Commerce are the 1986 winners of the Cahokia Mound Builder Award, presented by the Cahokia Mounds State Historic Site for major contributions to the site. The ceremony will be March 22.

The award recipients contributed in the areas of educational programs, publicity and distinguished service, a spokesman said.

Joe Webb, who served as site superintendent for 25 years, and Clyde Schweizer, a private contractor who has provided extensive service to the site, are two recipients of the 1986 award for distinguished service.

Diana Jeter and the Collinsville Chamber are being honored for educational contributions. Jeter, a senior in mass communication at SIUE, developed an audio-visual program about the history of Cahokia Mounds for schools and organizations. The program is available on loan from the museum.

The chamber sponsored the Cahokia Cultural Winter Lecture Series, making it possible to bring in leading archaeologists to participate. Videos were made of the lectures for schools and groups to use. Richard Murray will be receiving the award on behalf of the chamber.

The Post-Dispatch is being honored for publicity the site has received.

This year's Cahokia Mound Builder award banquet will be Sunday, March 22, at the Collinsville Motor Inn (formerly Collinsville Holiday Inn).

The banquet will begin at 6 p.m. with a cash bar and appetizers. Dinner will be a choice of fried chicken or Swiss steak and will be served at 7 p.m. Cost of the dinner is \$12 with reservations due by March 9.

The night's festivities include recognition of the continued support of last year's award winners, presentation of the 1986 Mound Builder award, and two guest speakers. They are Dr. Michael Devine, director of the Illinois Historic Preservation Agency, and Robert Coomer, superintendent of historic sites.

Madison Library plans Talking Book program

The Lewis and Clark Library System Talking Book display will be at the Madison Public Library during regular hours from March 3 to March 17.

Talking Books may be loaned to persons with a visual handicap. Also, some persons with a handicap other than visual may be eligible for the service if their handicap prevents them from turning pages or being able to read or use regular books.

The Talking Book Program has stories on record and tape for all ages, ranging from Dr. Seuss and Huckleberry Finn to such best-selling books as Secrets and Dancing in the Light. Also, there is a selection of 69 magazines on record and tape including Jack and Jill, Guideposts, Reader's Digest and Sports Illustrated.

This is a free service and everything is furnished, including the Talking Book machine and cassette player as well as

Video show looks at three artists

First Street Forum and Webster University open "Video as Art: Channel 3" on March 14 through 21 with special screenings and discussions at.

The one-week festival of video, featuring artists and special programs features the works of leading video artists Skip Blumberg, Gary Hill and Steina Vasulka.

Individual screenings and discussions by each artist at Webster University and a reception and panel discussion by all three artists at First Street Forum are planned.

Emmy Award-winning Blumberg, known for his pioneering techniques with portable video, has exhibited his work in numerous museums across the country. He is best known for his on-location documentaries about diverse topics ranging from double Dutch jump rope, Eskimo Olympics and elephant games. His documentaries have been broadcast on network television and he is considered "one of the original new TV journalists," according to Esquire Magazine.

Hill will present his two most recent works, "Why Do Things Get in a Muddle? (Come on Petunia)" and "I.R.A. ART" (The Backside Exists). These works explore the interrelation between image, language and time. He has received numerous grants and awards and has exhibited his work extensively, including in the Museum of Modern Art and the Whitney Museum of American Art.

Inspired by her experiences and life in Iceland and the Southwest United States, Vasulka will install her newest work, "Scapes of Paradox: The Southwest and Iceland by Steina." This installation piece is a continuous two-channel sound and video environment, depicting electronically generated textures, colors and layered images of the two landscapes. The installation includes a circle of monitors relaying images of the North Atlantic surf washing through the Arches National Park and bubbling Iceland springs, percolating through desert clouds.

The exhibition will appear from 10 a.m. to 5 p.m. March 14 through 21 with special screenings and discussions at: 8 p.m., March 13: Blumberg screening and discussion, Webster University's Winifred Moore Auditorium.

2 p.m., March 14: reception and panel discussion by Blumberg, Hill and Vasulka at First Street Forum, 717 N. First St. 8 p.m., March 14: Hill screening and discussion, Webster University's Winifred Moore Auditorium.

Opera, dance, voice auditionitions set

Auditions for the singing and dancing ensemble for The Mundy's 1987 summer season will be held on Friday, April 17, and Saturday, April 18, at the St. Louis University High School auditorium, 4970 Oakland Ave.

All persons must be at least 16 to audition. Auditions of those under age 16 will be announced at a later date if necessary. The schedule for auditions is as follows:

Singers:

Men: Actors' Equity members are to audition at 10 a.m. April 17. Non-members are to audition at 11 a.m. April 17. Chorus members from previous seasons may audition at 3 p.m. April 18. Final auditions (callbacks) will be held on April 18.

Women: Actors' Equity members are to audition at 12 p.m. April 17. Non-members are to audition at 3 p.m. April 17. Chorus members from previous seasons may audition at 4 p.m. April 18. Final auditions (callbacks) will also be held April 18. Singers should bring sheet

music in the key they desire, preferably operetta or musical comedy. Lyrics must be sung in English. An accompanist will be provided.

Dancers:

Men: Actors' Equity members are to audition at 10 a.m. April 17; non-members, 11 a.m. April 17. Chorus members from previous seasons may audition at 11:30 a.m. April 18. Final auditions (callbacks) are April 18.

Women: Actors' Equity members are to audition at 1 p.m. April 17; non-members, 2:30 p.m. April 17. Chorus members from previous seasons may audition at 12:30 p.m. April 18. Final auditions (callbacks) will be April 18.

Dancers are to bring tap shoes, toe and ballet slippers, and the necessary rehearsal clothing. Dressing room areas will be provided.

All persons who wish to audition should bring a photograph with resume, name, permanent residence address and telephone number attached; the photos will

not be returned. If a photograph has previously been sent to The Mundy, it is not necessary to bring another.

A policy of non-traditional

casting — the casting of ethnic minorities or female actors in roles where race, ethnicity or sex is not germane — will be observed.

"We're going to Hawaii with the money I saved at the Wedding Warehouse sale."

"I wanted everything to be just right for my wedding, but the beautiful gowns I had seen were so expensive. How could I spend \$1,000 on the gown of my dreams and still have money left for a honeymoon?"

Wedding Warehouse came to my rescue. I attended a 'one day' special sale where I saw hundreds of new gowns. I tried on lots of styles, but kept coming back to one I just loved. I charged it and took it home with me the same day. I bought a \$1,200 gown for \$469, so Hawaii here we come!

If you're going to be married, you should go to a Wedding Warehouse sale where you'll find the gown of your dreams at a price you can afford.

First Granite Inc. increases dividend

The board of First Granite Bancorporation Inc. has announced a revised dividend policy for the company. On Feb. 17, the board declared a quarterly dividend of 25 cents per share, payable March 16 to shareholders of record on Feb. 27.

Melvin C. Wilmsmeyer, president, said that since the dividend will continue to require close analysis in relation to profitability and capital adequacy on a quarter-to-quarter basis, it is the company's current intention to maintain the 25 cents per share quarterly dividend throughout 1987.

A double dividend was paid in the fourth quarter of 1986, bringing the total 1986 payout to \$1 per share, an increase of 11.1 percent over the 90 cents per share dividend paid in 1985.

First Granite Bancorporation Inc. is a two-bank holding company located in Granite City, with consolidated year-end 1986 total assets of \$186.4 million. The two subsidiary banks are First Granite City National Bank and Colonial Bank of Granite City.

Women of Achievement nominations close Friday

Friday is the final day nominations will be accepted for this year's Women of Achievement award.

The award, presented since 1956 by the *Globe Democrat*, is sponsored this year by the *Suburban Journal* and KMOX Radio. The award is presented annually to women who have dedicated much of their lives to improving their communities, as volunteers or in the professional world.

The 1987 Women of Achievement will be honored at a May 6 luncheon. The 10 women will be selected from nominations suggested by readers of the *Journals* and KMOX listeners.

Nominations should be sent to Women of Achievement Committee, *Suburban Journal*, 1714 Deer Tracks Trail, St. Louis, 63131. Nominations postmarked after Friday, March 6 will not be accepted.

Many letters of nomination were sent earlier to the *Globe Democrat*. It is not necessary that these women be re-nominated.

The names of the Women of Achievement will be announced in early April.

Selection of an honoree is not determined by the number of nominations received, nor is an elaborate presentation necessary. Many women during the

years have been chosen on the basis of a single nomination.

Each nomination should include full and specific information. Supporting letters from agencies or business firms or schools or churches or any other organization in which the nominee is active are helpful.

A nominating letter should be typed, if possible, or written with careful attention to legibility. It should be signed and include the nominator's telephone number in case the committee needs additional information.

It should also include the address and telephone number of the woman nominated.

Chapter studies new tax laws

Chapter HT of the P.E.O. Sisterhood met at the home of Jewell Backs.

Bobbi Boedeker Govanus of Dean Witter Reynolds Inc. presented a program on the provisions of the new federal income tax regulations. She outlined strategies to meet special investment needs, including high-yielding, tax exempt and tax-deferred investments.

Marie Robertson reported that effective in January 1987 the interest rate on all loans and installments of the P.E.O. Educational Fund is 4 percent. This will make loans from the fund more attractive to potential borrowers who are in need of financial aid to complete their education, she said.

Faith Holsinger announced that the next meeting will be held at the home of Marie Gordon; new officers will be elected.

Other present were Dorothy Buente, Joni Karandjeff, Dorothy Kerch, Patricia Kozan, Betty Mathias, Patricia Merz, Mary Miller, Susan Morgan, Loreta Reiske, Betty Robertson, Lee Suarez, Anne Slate and Linda Schermer.

Chinese evangelist to speak in St. Louis

Chinese evangelist Nora Lam will be in a St. Louis suburb for two speaking engagements this weekend.

Lam will speak Saturday during a dinner at the Midway Motor Lodge at Interstate 270 and Dorsett Road in Maryland Heights. She also will speak at 10:45 a.m. Sunday at Hope Chapel, 12339 Conway Road.

Reservations for the dinner are \$9 per person and can be obtained by calling Nora Lam Ministries at 314-768-2594.

Born in China, Lam is a U.S. citizen living in San Jose, Calif. She came to the United States under the sponsorship of evangelist Kathryn Kuhlmann.

Chapter aids Project Help

The monthly membership meeting of American Association of Retired Persons Chapter 1340 was held at the Granite City Township Hall. Sixteen new members were welcomed and were introduced by the membership chairman, Clarence Hoffmann.

President Juanita Crawley presided and Chaplain Karmyn Edmonds gave the invocation. February birthday and anniversary celebrants were serenaded by the group.

The local chapter made its first charitable donation for 1987. George Cook, representing Project Help, accepted a check in the amount of \$100.

Program Chairman Irma Manning announced plans for the March meeting are being finalized. Following the business meeting, Cecelia Manse and Ralph Thorpe were chosen to reign over the Sweetheart Dance.

DONATION: George Cook, left, a representative of Project Help, accepts a check for \$100 from Juanita Crawley, president of American Association of Retired Persons Chapter 1340.

as king and queen. Members enjoyed listening and dancing to the music of

Howard Bolton and The Alley Cats. The next meeting will be March 11 at the township hall.

Alberta Cochran honored

Alberta Cochran, who came to Granite City in 1925 as the bride of William Archie Cochran, was honored by her family and friends at her 80th birthday party. The celebration was at the home of her daughter, Metella Mason.

Among those in attendance were all of her children, Ernest Cochran and Ann of Collinsville, Paye McDaniel and Fred, Murphysboro, Eugene Cochran, Granite City, and Karen Tucker and Tom of Granite City.

Family pictures and memorabilia decorated a gift table and desserts were served to the following guests:

Margaret Smelcer, Laura Davis, Sylvia Molski, Don and Jan Harzel, Eric and Vanessa Vargo, Heidi, Christian and Peter Jones of Murphysboro, Amanda, Jeremy, and Crystal DeJournett, Marc and Vicki Mason, Aubrey Patterson, Sharon Tremble, Molly McDaniel, Gindy, Caleb and Rachel Nehring of Murphysboro, Tom, Brenda and Jessica McDaniel, of Pinckneyville.

Patty and Joshua Mason, Pauline Mahon and Pat Kent of Collinsville, Delores Ostendorf of Fairmont City, Linda Medlin, Ruby Cook, Marian and Chris Richeson, Mary Barker, Ray and Mary Parchment, Helen Chandler, Scotty Rector, Patty Gerstner, Sue Feigl, Tim Hillis, Eddie MacLester Lyons and Venida Goodnight McGart. Mrs. Cochran received many gifts. Marian Richeson led the guests in singing "Let Me Call

You Sweetheart" and in several of Alberta's favorite hymns. Original poems were read by Heidi Jones, Vanessa Vargo, Molly McDaniel, Mary Parchment and Patty Gerstner.

The great-grandchildren sang "Lovely Lady" and Eric Cargo, Patty Gerstner and Sue Feigl sang "Mansion Builder." Original musical tributes were sung by Marian Richeson and Ruby Cook and by Mary Parchment.

During a time of sharing, Mrs. Cochran recalled memories of growing up on a farm in Wright County, Mo., where her grandfather, Dr. W. A. Orendor, practiced medicine out of their home. She remembered six-foot snowdrifts and walking to school on top of the fence posts, and of helping to cook meals for the threshing crew which came to help harvest the wheat. Caravans of "mover wagons" stopped to get water from the family's deep wells.

Several events in Granite City in the late 1920s and '30s provided her with memories of newly-painted houses being sprayed with creosote because of non-union workers, of cleaning her home which was covered with dust that originated from the Oklahoma Dust Bowl, and of hearing Orson Welles' famous "invasion from Mars" radio program that caused panic all over the country.

Mrs. Cochran, a member of New Life Assembly, has 32 direct descendants. Four generations of friends and family were present.

Poets read works

The River Styx at Duff's presents prize-winning poets Arthur Sze and Alice Brand at 7:30 p.m. March 16 in Duff's restaurant at 392 N. Euclid Ave., St. Louis.

Sze has published three books of poems and translations from Chinese. His poems also have appeared in numerous anthologies and publications, such as *Mother Jones*, *Harvard Magazine* and *The Greenfield Review*.

St. Louisian Alice Brand captured first prize in poetry contests sponsored by the Poetry Society of America, the St. Louis Writers Guild, the Missouri Writers Guild and the Wednesday Club of St. Louis.

Admission is \$3; students with identification are admitted for \$2.

Warriors' bid for SWC crown falls short against Maroons

By Dave Whaley
Executive sports editor

GRANITE CITY — It wouldn't have taken a genius to know if the Warriors won or lost their regular season finale Saturday night by visiting the locker room minutes after the game.

The place was as quiet as a tomb, and Warrior coach Don Deterding sat on a bench with his head down. When the head finally came up, a pair of red eyes were revealed.

Winning the Southwestern Conference title ranks as one of the more important things in Deterding's life, and Granite City needed only a win over SWC doormat Belleville West to gain a share of the title. But Warrior hopes dribbled off the side of the rim along with Tim Hogan's last-second jump shot as the Maroons scored a stunning 61-59 upset.

For the Warriors, it was a sad ending to a good 17-8 regular season. But the loss dropped them to 9-2 in SWC play, not good enough to match Collinsville's 9-1 league mark. The Kahoks won their last 10 games, including a big 64-59 triumph over the Warriors Feb. 6 at Collinsville, to oust the Warriors and Alton, last year's co-champions.

"Winning the conference is the big thing to me," said Deterding, his voice barely above a whisper. "We made a valiant comeback in the fourth quarter, but we just couldn't do it. We didn't shoot the ball very well. We must have missed 10 layups tonight."

A co-championship with Collinsville seemed inevitable when the Maroons came to town sporting a 6-16 overall record, including a 1-8 conference mark. But West stayed right with the Warriors the whole first half, then spurred to a nine-point lead in the third quarter.

The Warriors then cut the lead to four at the end of the quarter, but couldn't get over the hump in the last eight minutes. Every time they appeared ready to make a run, the Maroons had the answer.

"They shot the ball extremely well in the fourth quarter," Deterding said. "The one kid (Thomas Moore) didn't miss anything."

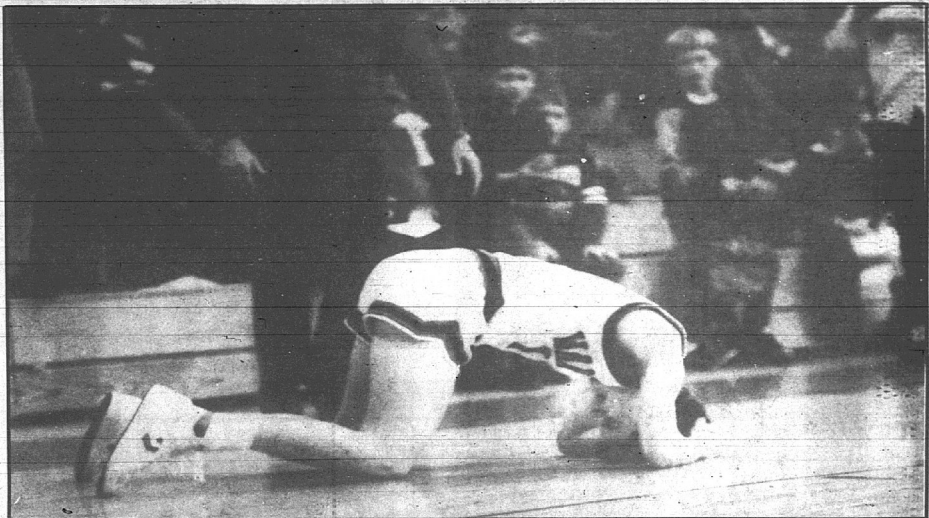

Moore, a 6-5 center, finished with 25 points.

"We talked about the significance of this game," said Maroon coach Roger Mueller. "We knew we couldn't win anything, but we wanted to make Granite City win a tough game for the championship. So in a way, it was a title game for us."

The Warriors trimmed West's lead to two points six times in the fourth quarter, but could never catch up. Tom Taylor stole the ball and made a great pass to Tim Hogan for a layup with 1:29 left, but Hogan couldn't convert a three-point opportunity and it was 60-57.

Moore made one of two free throws before Eric Ryterski muscled inside for a layup with 1:12 to go, but he also failed to convert a free throw. The Warriors then forced a jump ball at the other end and took over on the alternate possession. But Taylor missed a bank shot from close range, then fouled Chris Stanczyk on the rebound with 29 seconds left.

Stanczyk missed the front end of the one-and-one, and the Warriors worked for the last shot to send the game to overtime. Greg Lilley got the ball coming down

the middle, but banked it wide with seven seconds left. A scramble for the rebound ended with the ball bouncing off the Maroons' Mike Juenger out of

bounds with one second left. Tim Hogan was able to get wide open on the right wing, and David Velzer's inbound pass left the Warrior's sixth all-time

leading scorer with an open 18-footer. But the shot just bounced off the rim as time expired. "We were trying to get either that shot or Jamie Hogan com-

ing down the middle," Deterding said. "We got a pretty good chance, but it just didn't fall." "I wasn't very happy with the

Greyhounds a tough foe for Devils

By Dave Whaley
Executive sports editor

FREEBURG — So it's on to Vandalia for the Venice Red Devils.

Venice, the No. 2-ranked small school team in the state, survived — for lack of a better word — the Freeburg Regional last week. That regional is a good way for any team to start its post-season activity.

It's a good bet that the team that survived it would find itself in Charleston March 10 in the Super-Sectional. The fact that the Devils made it leaves them an overwhelming favorite to win the Vandalia Sectional. Venice was to face Gillespie (15-12) in Tuesday night's semifinal game. Kimmunity-Alma (24-3) and Staunton (20-6) are the other semifinalists.

The Bulldogs of Staunton gave the Devils a very tough game in last year's sectional, but Venice should roll through this week. They are probably glad just to get out of Freeburg with their state title hopes intact.

"This is one of the toughest regionals in the state," said Devil coach Clinton Harris. "I'm just glad we won these two games."

The Devils beat Lovejoy by 14 points and Lebanon by 11. But neither game was easy, and Friday's game was probably the toughest 11-point victory anyone has ever had.

"There were a lot of teams here capable of winning," Harris said.

Among those teams was definitely the Lebanon Greyhounds. They were one of the top teams in the area last year, with Laurence Bass and Mike Ogden, but not quite as strong this year. Still, they were 15-13, and featured one of the top players in the area in Steve Schieppe.

The fact that Schieppe wasn't even an honorable mention member of the All-State team was almost as big an injustice as Jesse Hall not getting first-team mention last year. But Schieppe will make someone a good college player next year, possibly in his hometown at McKendree, or maybe even at SIUE.

The Greyhounds gave the Red Devils three of their toughest games this year, losing 61-58 in the season opener, 69-60 in the championship game of the Freeburg Holiday Tournament and 59-48 in Friday's game. Schieppe, who averaged almost 30 points per game this year, started each game with a cold hand, but got hot in the second half. If he had started hot, the Greyhounds almost certainly would have upset Venice at least once.

"I never said anything to my players that put us second fiddle

THRILL OF VICTORY: Venice players celebrate with the plaque they received for winning the Freeburg Regional Friday night. Victorious Devils are, from left, Hosea King, Vincent Harris, Daryl Jackson and Wilfred Wigfall.

to Venice," said Lebanon coach John Schieppe, who happens to be Steve's father. "We knew we had to play an outstanding game to win while they only had to play average. But we made them play outstanding games on each occasion this year."

Schieppe also coined a catch phrase for this year when he repeatedly said he didn't want his team to play "Jesse-ball." That would mean a fast-paced game that would allow the Red Devils' marvelous All-State to

dominate play. Hall had "only" 13 points on Friday after exploding for 35 when the teams last met at Christmastime.

The Devils avoided the wave of upsets that took down teams like unbeaten and third-ranked Carmi (48-43 to McLeansboro) and defending state champion Teutopolis (69-51 to Flora on the Wooden Shoes' homecourt). Assuming the Devils win at Vandalia this week, they will face either Flora — a team they whipped in Edwardsville last

month — or Martinsville in Charleston next Tuesday.

The Bluestreaks (25-0) are one of two unbeaten teams left in the Class A tournament. Hamilton (27-0) is the other. But the matchup many fans around the state are awaiting is the Venice-Providence St. Mel game. St. Mel is No. 1 in the state, and the two teams could meet on Saturday night, March 14. That would be at the Assembly Hall in Champaign, and the winner will take home all the hardware.

Warrior JV skaters lose in title game

By Carl Jacobs
Staff writer

The Warriors junior varsity hockey team was as successful as the varsity team this year, posting a 13-4 mark and gaining a berth in the playoffs, losing to CBC 4-1 Saturday night.

"I was happy with the team's performance, but we lost, especially in the final game," said head coach Gary Henson.

The Warriors' defense holds its own into the game. Left winger Rich Grogan picked up the puck at center ice and shot from out of the blue line. He was fouled, misjudged the shot and the Warriors led.

"I was just getting the early lead was important but they were too big and physical," Henson said.

CBC only outshot Granite City in one of the three periods. They had a lead in the first period to 2-0. The Warriors' defense took the lead later in the first period and took control.

"They worked hard for their goals," Henson said. "They were not cheap ones. They got the puck into the corners and set up the shot at the point. You have to give them credit."

In the second period, the Warriors had six shots on goal and several good chances.

"We were more quality shots and each had a chance to go in," Henson said.

Granite City's Granite City player was left alone in the slot but fanned on the shot.

CBC then increased their lead to 4-0 on a power play goal.

"Again it was hard work and nice passing on their part," Henson said.

The third period duplicated the second in that the Warriors had an equal number of shots on goal. The Warriors had three good ones, but CBC came away with the only goal as the Warriors lost.

Granite City's best opportunities to score came when they hit the net.

"Missing is just one of those

"I was very pleased with both the varsity and junior varsity seasons. Combined, we finished 31-10-1 and not many teams can say that."

But Henson will have some positives and negatives going into next year. A number of this year's seniors are expected to continue forward. Todd Ritchey, Tom Brown, Matt Krekovich, Jim Robertson, Jim Morgan, Charlie Johnson, David Dwyer, Doug Crites, Richie Grogan and Doug Crites.

Conservatively, Bill Dewitt, Jason Bucatch and John Culisek are all returning.

But Henson will lose 15 players. The graduation and the Warriors lack a goaltender for next year. Both Collins Harlan and Dwyer are expected to leave.

If you are lacking in numbers, you can go to other schools and try and get some players. Henson said, "We have to do that for a goaltender, but I first I will look within the dis-

It looks now that there will be no junior varsity team next year. First Henson will worry about filling the holes on his varsity team. But for now he will sit back and enjoy this season.

Indoor champs

WESTERN ILLINOIS University's indoor soccer team won the Budweiser St. Louis National Indoor College Tournament for the second year in a row. The Leathernecks won five straight games, beating Lindenwood 4-1, Avila 2-0, UMSL 3-1, St. Louis U. 2-0 and Florissant Valley 3-2. The Leathernecks feature six players from Granite City. They are seniors Barry Grote (MVP), John Menendez and Tony Segobiano; sophomore Scott Grote; and freshmen Scott Blason (rookie of the year) and Joe Gray.

Register now for softball

The Granite City Park District is organizing softball leagues for play this summer. Organizational meetings have been held and teams are registering in the Wilson Park Office.

Steve Kessel, director of parks and recreation, asks that any team that was a part of the park district leagues during the past season to please register the team for this season.

Even though the entry fee is not paid at that time, it is very necessary that the team register in order to know the number of teams that will be participating. Leagues must be set up and the new teams on a waiting list will be placed in the areas where there are openings.

Anyone wishing to manage a new team may call or stop in the office for information or to be placed on the list. This applies to all leagues—men's, women's, church, high school girls, high school boys and junior high leagues.

Softball league accepting fees

The Metro East Women's Fastpitch League for 1987 is now accepting entry fees for team registration. The entry fee for a 20-game schedule is \$425. A \$50 deposit, which will be applied to the entry fee, is required to ensure a place in the league. This is a non-refundable fee due on March 31. The remaining \$375 will be due by May 31.

The M.E.W.F.L. will be playing their games at the American Legion Post 764 in Cahokia.

Contact 1-337-4396 or 1-277-4083 for more information or literature.

Any girl interested in playing fastpitch softball in the M.E.W.F.L. should contact one of the above.

Baseball signups at park office

Any child wanting to play baseball this summer should call or go to the Wilson Park Office and place his or her name on a list. Anyone born in 1979 or earlier is eligible to play this season. Attempts are made to form teams from lists with at least 13 or more boys born in the same year. Managers of existing teams will go to the park office and get names from the list to replace boys who are no longer playing with their teams.

Any adult willing to manage a team in the Granite City Park District leagues should also call the office and leave his name and number, as there is always a demand for youth managers. For more information, call the Wilson Park Office at 877-3059.

New director for Region 8

The Governor's Council on Health and Physical Fitness has appointed Gary Carney of Makanda as the new regional director of the Southern Region (Region 8) for the 1987 Prairie State Games.

Carney, the assistant athletic director at SIUC, joined the staff there in 1984 and assumed his present position last July. The Southern Region encompasses 37 counties in southern Illinois.

The Prairie State Games is a statewide competition with men and women of all ages competing in 17 Olympic-style events in scholastic and open divisions. Bowling has been added to this year's schedule.

Applications for interested participants will be available beginning March 1, with regional

qualifying competition being held in May and June. The games will be held in Champaign July 15-18.

For more information on the games, call 1-800-THE-GAME.

Nelson's still accepting teams

Lord Nelson's is still accepting teams for men's or co-ed slow pitch softball for play on Tuesday through Friday evenings. Please register as soon as possible so a spot may be saved for all teams. Part payment must be received by April 1 so that schedules may be made up.

For information about cost, schedules and rules, please contact Nelson Hediger at 931-6338.

IWTF convention set for March 21

The Illinois Wild Turkey Foundation will hold its annual state convention Saturday, March 21, at the Alton Holiday Inn. The convention will feature displays, videos, door prizes, guest speakers, a banquet and auction. Doors open at 9 a.m.

The admission fee* for the day's activities is \$5 for adults and \$3 for children 12 and under. There will be a drawing for a Remington 1100 SP shotgun in the afternoon.

The banquet will be held in the evening, with the price of a ticket \$13.50 in advance and \$15 at the door. The price includes draft beer, dinner, admission to the auction and a chance to win the IWTF limited edition case knife. Cocktail hour starts at 6 p.m.

with all auction items, door prizes and raffle items on display. Dinner will be at 7 p.m., and the auction will start at 8:30.

All proceeds go towards operating the state chapter and aiding the Illinois wild turkey. Reservations should be made by March 1. For banquet tickets or more information, contact Blake Pazzero, 7901 Ingham Lane, Godfrey, Ill., 62035, or call 466-8292.

Venice baseball signups March 9

Summer baseball signups for boys and girls teams will be held

beginning March 9, it was announced by the Venice Park District.

Applications will be passed out for any child age 6 to 13 who wants to play baseball. The district is also asking for volunteers to coach teams.

Interested coaches are asked to call the Venice Recreation Center from 1 to 6 p.m. daily. Ask for Robert Wigfall, Arnold Johnson or Charles Collins.

JAMIE HOGAN of the Warriors shoots just past the outstretched arm of Alton's Todd Thomas for two of his 34 points during Friday's 92-75 win at Memorial Gymnasium. (Staff photo by Gary King)

last shot we allowed," Mueller said. "Someone let his man get free. They were getting the ball from us quite a bit in the fourth quarter because of their gambling defense. But it also allowed us to make some shots. We were just able to hang on."

Tim Hogan finished with 20 points, while Jamie Hogan (14), Taylor (13) and Ryterski (10) were also in double figures. But the Warriors were never able to assert their superiority over the Maroons, and West played very well throughout the game.

"I don't think we were overconfident coming in," Deterding said. "Everyone wanted to win the game so much. The seniors wanted it because it was the last home game, and we wanted that conference title."

Someone phoning in a report of the game to a local radio station mentioned the Warriors' loss gave the conference title outright to Collinsville, and the reminder made Deterding seethe even more.

"You have to give Collinsville credit," he said. "They won the games they had to win. But this would have been three straight for us."

Actually, it would have been the third straight year the Warriors shared the title (they shared it with the Kahoks in

1985), and no team other than Collinsville has ever gained at least a share of the SWC crown in three straight years. The Warriors led only twice all night, at 2-0 and 12-10. They seemed often on the verge of putting a run on the Maroons, but West never suffered through a dry shooting spell. They were 6 of 14 in the first quarter, 6 of 12 in the second, 7 of 13 in the third and 6 of 9 in the fourth. Not great, but good enough to stay just ahead of the Warriors, who couldn't take advantage of the fact West turned the ball over 19 times to Granite City's seven.

"They gave us a lot of opportunities to get back in the game, but never let us pull even," Deterding said. "If we had caught them, well, they hadn't won much, so you don't know what would have happened. But they repelled every charge we made."

The Maroons opened regional play against Mascoutah on Monday, and Mueller said the upset outright to Collinsville, and the reminder made Deterding seethe even more.

"This is a game we just have to forget, but there's no way we can," Deterding said.

Pat McBride's soccer camp announces dates

Six one-week sessions, including one for girls and another for high school boys, have been scheduled for the 19th season of the Pat McBride Soccer Camp.

Boys ages 6-17 can choose to attend one of the sessions beginning the weeks of June 7, June 14, June 21 or July 5. A week for high school boys is set July 12,

and another session for girls ages 6-17 is scheduled to begin July 26.

All sessions will be held at Lindenwood College in St. Charles, Mo.

McBride serves as the camp's managing director. He has coached and played soccer at every level and is a two-time Major Indoor Soccer League

coach of the year and a former National Junior College Coach of the Year.

Former MISL player Denny Vaninger is director of the camp. College and professional players and coaches make up the staff. The girls session will be staffed by women who have coached soccer at the high

school and collegiate levels. Youths can stay overnight in air-conditioned dormitories or can commute. A weekly session costs \$195 for residents and \$130 for commuters. Further information may be obtained by writing the camp at 6762 Bear Creek Drive, St. Louis, Mo., 63129, or by calling 314-846-6024 or 314-843-6866.
